

Full payment flexibility with Reserve Now & Pay Later

Reserve experiences with no payment upfront, allowing for the flexibility that your clients need and want while saving a spot on in-demand tours & activities.

Secure your client's spot

Reserve a spot on top tours and activities so your client doesn't have to worry about missing a must-do experience.

Cancel or modify if plans change

Rest easy knowing you and your clients have the freedom and flexibility to change their itinerary.

Pay later

Your payment details are collected when you make the reservation, but you aren't charged until two days before the activity. And if you want to pay at any time before the auto-charge? You can easily do that, too.

3 ways to manage Reserve Now & Pay Later Bookings

Auto-pay

We'll ask for payment details at the time of booking and will automatically charge the card on file 2 days before the start of the experience.

Manual payments

At any time before the "payment due by" date that's shown for each booking, you're able to manually submit payment

Changing payment method

Update the card on file at any time before the "payment due by" date to change your auto-pay payment method.
